Open Session Agenda

Quorum:

Introduction:		
o613-O-01	Pharmacy Working Conditions <ul style="list-style-type: none">• Mr. Friedman put a document together as a starting point for our discussion.• Committee members are going to review Pharmacy Working Conditions language used in other states and come prepared to discuss during July Subcommittee Meeting. The committee may not be able to get through it because hormonal contraception is the priority.	
o613-O-02	Self-administered Hormonal Contraception <ul style="list-style-type: none">• Discussion occurred around the "Contraception Methods with descriptions" document.<ul style="list-style-type: none">○ Concerns arose around the lack of information (preface, side effects, lack of pro/cons, safety information)○ Dr. Ortique stated that the document is meant to be given along with med guide for medication being dispensed in the pharmacy, along with counseling.• Ms. Williams shared the Oregon pamphlet. Mr. Friedman suggested merging our sheet with Oregon's along with a link to side effects on FDA website.	
o613-O-03	Action Steps/Next meeting <ul style="list-style-type: none">• Update Contraception document (side effects, preface, facts about contraception) and make it more consumer-friendly; in-house person to help.• Update eligibility criteria for self-administered hormonal contraception document• Pull last draft of forms developed with Board of Medicine for self-administered hormonal contraception and send to subcommittee members.• Update and send "BOP Committee Draft Language" to subcommittee regarding Pharmacy Working Conditions• Review draft mentioned about and prepare to discuss during July Subcommittee Meeting	

<u>Comments from the Public</u>	None
