- Five-year outreach contract with DCPCA and Zane Networks
  - Technical assistance to select EHR and attest for MEIP
- Providers can receive up to \$63,750 for full participation in the MEIP
  - Including \$21,250 to adopt, implement or upgrade (AIU)
- Requirements:
  - MD/DO, Dentist, NP, or Nurse Midwife
  - Medicaid patient volume threshold 30% (20% for pediatric)
  - AIU federally certified health IT by August 31 *deadline extended!*
- More information on technical assistance:
  - Contact eHealthDC staff directly at <u>contact@e-healthdc.org</u> or 202-552-2331
- Please help us spread the word!

#### Interested in assistance with the Medicaid EHR Incentive Program?

eHealthDC, a program of the <u>District of Columbia Primary Care Association</u>, is partnering with the DC Department of Health Care Finance to provide free technical assistance for assisting providers and practice administrators with the adoption and Meaningful Use of Electronic Health Records. Whether you've not yet adopted an EHR, or are on your way to Meaningful Use Stage 3, our experienced Health IT Specialists are available to help you maximize your EHR incentive payments and make the most of your EHR.

Providers who commit to adopting an EHR and successfully attest through the DC Medicaid EHR Incentive Program (MEIP) before June 30, 2017 are eligible to receive up to \$63,750 in Meaningful Use incentive payments over 6 years.

#### Get in touch with us!

To start the process, please fill out the form below for your practice's main point of contact and our team will be in touch soon to discuss your eligibility and arrange a consultation.

### **HIE Designation Subcommittee**

#### Mission

Provide recommendations to DHCF regarding the establishment of a formal Designation process for HIEs operating in the District.

#### Goals

Elicit feedback on specific Designation requirements (e.g., Technical, Privacy, Security, etc.) and make recommendations to the HIE Policy Board regarding the legislative process.

### **Defining a Structure for the DC HIE**

- Create a more defined structure for the DC HIE by:
  - <u>Establishing a Core Set of Standards</u> Ensure HIEs are able and willing to meet District standards and expectations for exchange.
  - <u>Formalizing Partnerships</u> Facilitate a more direct level of cooperation between the District Government and current HIE assets.
  - <u>Streamlining the District's Ability to Provide Resources</u> Allow District to be more nimble in responding to rapidly changing technology, policies, and HIE needs of stakeholders.
- Ensure sustainable exchange of health information in support of the District's health reform efforts.

### **HIE Designation Subcommittee: Current Activity**

- Developed formal definition of HIE
- Reviewed other states' approaches to HIE designation
  - Including Maryland, New York, Pennsylvania, Minnesota
- Used Maryland regulations as foundation for District's regulations
- In late May received approval to proceed to developing Rules
  - Developed 1<sup>st</sup> draft of rules; currently revising

### HIE Designation Subcommittee: Timeline, Next Steps

- Preliminary draft of HIE designation rule (June/July 2017)
- Incorporate feedback from HIE Policy Board (July 2017)
- Draft HIE designation rule (July/Early August 2017)
- Commence internal circulation (Late August 2017)
- External Review and Public Comment (September December 2017)
- Publish to register (January 2018)

### **BOARD ACTION: HIE Designation**

- DCHIE
  - 1. Provide feedback on two-step registration and designation process
  - 2. Provide feedback on how the rules should:
    - Enable existing HIEs to continue operation
    - Encourage new HIEs to enter the market
  - 3. Conduct vote to recommend that DHCF adopt draft HIE definitions
